In the event of a closing or delayed opening, staff, faculty and students may call the Academy's main number (215 972 7600) where a message will be posted by 6:30am.

In the event that inclement weather or other emergency develops during the workday, a decision may be made to close early. An outgoing message will be posted on the Academy's main number (215 972 7600) when the decision to close is made.

Please note: If a delayed opening is posted, afternoon and evening classes will continue to run unless indicated.

All closings and delayed openings will be posted on the homepage of this website.

You can also find out if the school is closed from these media outlets:
