2019–2020 Institutional Verification Document
(Dependent Students)

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Per Federal regulation, we must ask you to confirm the information you reported on your FAFSA before crediting any Federal financial aid to your account. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document against any other required documents.

If there are differences, then your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form along with any other required documents to us.

We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

B. Number of Household Members and Number in College

List below the people in the parents' household. Include 1) the student, 2) the parents (including a stepparent) even if the student doesn’t live with the parents, 3) the parents’ other children if the parents will provide more than half of their support from July 1, 2019 through June 30, 2020, or if the other children would be required to provide parental information if they were completing a FAFSA for 2019-2020. Include children who meet either of these standards even if the children do not live with the parents. And 4) include other people if they now live with the parents and the parents provide more than half of their support, and will continue to provide more than half of their support through June 30, 2020.

For any household member, excluding the parents, who will be enrolled at least half time in a degree, diploma, or certificate program at an eligible postsecondary educational institution any time between July 1, 2019, and June 30, 2020, include the name of the college.

If more space is needed, provide a separate page with the student’s name and ID number at the top.

Note: We may require additional documentation if we have reason to believe that the information regarding the household members enrolled in eligible postsecondary educational institutions is inaccurate.
C. Income Verification—Tax Filers

If you did not file a tax return for 2017, see Section D on the next page.

The best way to verify income is to use the IRS Data Retrieval Tool that is part of FAFSA on the Web at FAFSA.gov. A successful transfer does not require the student or parent to submit an actual IRS Tax Return Transcript, provided that the tax information transferred into the FAFSA was not changed. If you have questions about using the IRS Data Retrieval Tool please contact my office at (215) 972-2019.

Important Note: The instructions below apply to the student and spouse (if the student is married), and the student’s parents. Notify the Financial Aid Office if the student or spouse (or the student’s parents) filed separate IRS income tax returns for 2017 or had a change in marital status after the end of the 2017 tax year on December 31, 2017. If separate tax returns were filed, the 2017 IRS Tax Return Transcripts must be provided for both (see IRS Transcript instructions below).

Check the box that applies:

STUDENT TAX-FILER (and Spouse, if married):

☐ The student has used the IRS Data Retrieval Tool in FAFSA on the Web to transfer 2017 IRS income tax return information into the student’s FAFSA.

☐ The student has not yet used the IRS Data Retrieval Tool in FAFSA on the Web, but will use the tool to transfer 2017 IRS income tax return information into the student’s FAFSA once the 2017 IRS income tax return has been filed.

☐ The student is unable or chooses not to use the IRS Data Retrieval Tool in FAFSA on the Web, and instead will provide the school a 2017 IRS Tax Return Transcript(s). (signature not required)

PARENT TAX-FILER:

☐ The parents have used the IRS Data Retrieval Tool in FAFSA on the Web to transfer 2017 IRS income tax return information into the student’s FAFSA.

☐ The parents have not yet used the IRS Data Retrieval Tool in FAFSA on the Web, but will use the tool to transfer 2017 IRS income tax return information into the student’s FAFSA once the 2017 IRS income tax return has been filed.

☐ The parents are unable or choose not to use the IRS Data Retrieval Tool in FAFSA on the Web, and instead will provide the school a 2017 IRS Tax Return Transcript(s). (signature not required)

If you cannot use the IRS Data Retrieval Tool:

There are circumstances when the IRS Data Retrieval Tool will not work (such as when parents file separate tax returns). When this happens, the tax filer must request a 2017 IRS Tax Return Transcript. This can be done free of charge on the IRS website. Do the following steps:

1. Log onto www.IRS.gov
2. Under “Tools” select “Order a Return or Account Transcript”
3. Complete all fields (social security number, date of birth, address).
4. Under “Type of Transcript,” select “Return Transcript.” Make sure you select “Return Transcript.” An “Account Transcript” is not acceptable for verification purposes.
5. Under “Tax Year” select “2017.”

The IRS will mail the tax return transcript to you. Once you receive it, forward it immediately to the Financial Aid Office.
D. Income Verification—Non-Tax Filers
