GALLERY SALES

Artwork is sold through the Museum Store at PAFA. PAFA retains a 30% commission on artwork sold. In the event of a sale, it is your responsibility to file the complete payment received from the sale with the I.R.S.

PRESENTATION GUIDELINES

Artwork must be properly prepared for installation and display as described below. An artwork must be materially and structurally stable to be brought into museum galleries. That is, artworks must be dry, free of loose particles, structurally sound and safe, and no chance of wet paint, charcoal, and other materials able to be transferred to other artworks or people handling the object. If an object is found to not possess these characteristics, it will be promptly removed from the galleries. Wall-mounted artwork must have appropriate hanging hardware. Adhesives, tape, & etc. may not be used on gallery walls. Please refer to the following guidelines for presenting work:

PAINTINGS

Paintings on canvas or panel may be either framed or unframed, but must be ready to hang with D-rings or screw eyes and hanging wire appropriate to the size and weight of the object. The use of tape, string & etc. is not acceptable.

WORKS ON PAPER

Works on paper should be matted and/or framed with glass or Plexiglas. Unframed matted or Plexiglas-covered pieces will be hung with J-hooks. Framed work must be ready to hang with D-rings or screw eyes and appropriate picture wire. Works on paper that are of large scale or otherwise intended for unframed display must be mounted on a rigid, lightweight surface such as foam core or mat board for protection and ease of moving during judging and installation. Unframed/unmatted works on paper will be pinned to the wall; artists submitting such work should be aware that unprotected works may be susceptible to damage.

SCULPTURE

Wall sculpture should be wired or include a sturdy hanging system. The gallery has a limited number of pedestals available for freestanding sculpture. Three-dimensional artworks must be sound and stable without risk of toppling and injuring others, breaking, or damaging other artwork or infrastructure.

Work not properly prepared for installation and display will not be accepted for consideration by the juror.

THE FOLLOWING PROHIBITED MATERIALS ARE NOT ALLOWED IN MUSEUM GALLERIES, TO PREVENT INFESTATION OF THE GALLERIES AND TO MINIMIZE THE RISK OF DAMAGING ARTWORK:

- Live or dried plant matter
- Soil
- Live or dead animals or insects
- Food, raw animal products, seeds, & etc.
- Fur, feathers, unprocessed wool, and repurposed wool such as that found in sweaters, stuffed upholstery, or rugs.

Please contact the Continuing Education Office at 215-972-2029 or continuinged@pafa.edu well in advance of submission if you are uncertain about any details regarding these guidelines.
