2022	AGES 5-7	AGES 8-9	AGES 10-11	AGES 12-14
WEEK 1 JUNE 27– JULY 1	OCEAN EXPLORERS Dive into an ocean of art making and fun! Get inspired by the wonders of sea life & create oceanic paintings, sculptures, collages and more! All while making a splash full of friends at the museum!	SCULPT IT Sculpt, build, mold, or carve ideas from your imagination into reality all while discovering fundamentals of sculptural art.	SCULPTURAL EXPLORATION Free your imagination from the constraints of a flat surface and create your own sculptural masterpieces, inspired by museum collection and contemporary techniques.	ILLUSTRATION AND COMICS Bring your comic book ideas and stories to life! Expand your drawing skills, learn the ins and outs of character development, and visual story telling from professional illustrators
WEEK 2 JULY 5 –9 <small>(NO CAMP ON JULY 4TH)</small>	WORLD ART ADVENTURES Get your explorer hat ready as we embark on an art adventure around the world! Find inspiration from diverse cultures and countries around the globe and have exciting adventures with new friends and new ways of making art.	GAMER ART Make your favorite video games and characters come to life creating sculptures, paintings, costumes, and more, inspired by the world of computer games and pop culture.	INTRO TO DRAWING Carry on the traditions of America's oldest art school by learning the secrets of naturalistic drawing and the creation of convincing three-dimensional illusions of figure and space.	DRAWING I Draw like a master as you improve your drawing technique and polish your skills in mastering light, contour, texture, and perspective.
WEEK 3 JULY 11–15	ART ASTRONAUTS 3, 2, 1... BLAST OFF! Make artwork that is out of this world as you venture into outer space finding inspiration and fun from the planets, stars, galaxies, and more!	MYTHS AND MONSTERS Explore the world of fantastic beasts and ancient mythologies. Sculpt, paint, and build-up a menagerie of mythological creatures that tell their stories as they crawl, roar, hide, and fly.	MUSEUM EXPLORERS Get exclusive behind the scenes access to the Historic Landmark Building and PAFA's collection. Discover the museum's specific features, secrets, and make art inspired by the America's oldest art museum!	GRAPHIC NOVEL Join the generation of artists telling stories using sequential images. Develop, draw, and visualize your own story with innovative layout styles and techniques.
WEEK 4 JULY 18–22	ART SAFARI Grab some binoculars and get your artistic eye ready to capture the sights of the safari wildlife! Have a wild adventure with friends and art-making.	COMIC'S ACADEMY Spend an exciting week of mastering the skills in the art of visual storytelling, comic drawing, and character design!	INTRO TO PAINTING Embark on a creative journey into the art of painting! Develop skills in a variety of painting techniques under the guidance of professional artists and instructors.	PRINTMAKING Master the traditional art of printmaking and dive into experimental techniques! Make your own stamps and stencils and print unique designs on different types of paper, fabric, and other surfaces.
WEEK 5 JULY 25–29	SKY'S THE LIMIT Is it a bird!? Is it a plane!? It is an art camp where the sky's the limit on fun and creativity! Keep your head in the clouds for the whole week making art inspired by airborne creatures, planes, superheroes, and more.	PRINTOPIA Stamp, carve, and print as you explore the many ways to transfer and multiply images - from traditional block printing to experimental one-of-a-kind methods.	COMIC BOOK I Develop your comics-style drawing and visual storytelling skills, as you deepen your understanding of character development, practice storyboarding, and much more!	PORTFOLIO BUILDING Expand the foundational skills needed for a successful art portfolio! Get your hands on a variety of techniques, styles and mediums and try out various forms of art making.
WEEK 6 AUG 1–5	THE MAGIC OF ENCANTO The magic is strong in this enchanted art camp that celebrates the culture, music, and charismatic characters from the hit movie Encanto! Paint, sculpt, and make other spellbinding artworks, with new and old friends.	NATURAL WONDERS Celebrate our planet by making art inspired by the elements of Air, Fire, Water, and Earth. Explore how natural materials can be used in fun and unexpected ways to make art.	WORLD MYTHOLOGY Have fun with friends, exploring mythological tales from around the globe and creating paintings, mosaics, masks, weaving projects and more, inspired by ancient civilizations!	PAINTING I Learn from the Academy's old masters and get guidance from the contemporary artists to further develop your foundational painting skills.
WEEK 7 AUGUST 7–12	WACKY WONDERS Imagine how things look from another point of view! A Make wacky and fun art learning to see the world from an unfamiliar perspective!	PAINTING EXTRAVAGANZA Get creative and get messy in this fun week of painting and friends! Explore traditional as well as fun and wacky experimental techniques of paint application!	COMIC BOOK II Expand your character development skills and practice engaging storyboarding! Discover new tricks for narrating and illustrating captivating stories with fascinating characters.	EXPERIMENTAL PAINTING Whatever your skill levels, discover many ways of painting with a variety of unexpected tools and materials. Make friends, get creative, and learn to think out of the box and bring your most uncanny ideas to life!
