That is, artworks must be dry, free of loose particles, structurally sound and safe, and present no chance of wet paint, charcoal, and other materials to be transferred to other artworks or people handling the object. If an object is found to not possess these characteristics, it will be promptly removed from the galleries. Wall-mounted artwork must have appropriate hanging hardware. Adhesives, tape, & etc. may not be used on gallery walls. **Please contact the Continuing Education Office at 215-972-2029 or continuinged@pafa.edu in advance of submission if you are uncertain about any details regarding these guidelines.**
