

# PAFA Docent Application

We are seeking enthusiastic and reliable individuals to join our docent program. Docents play a vital role in creating engaging, visitor-centered experiences in our galleries.

Selected applicants are asked to commit to a minimum of three shifts per month and a six-month service period following the completion of training. While there are no formal prerequisites, ideal candidates will have experience in teaching, facilitation, or other public-facing roles, along with a genuine interest in learning about art and art history.
